7 Anbrue Lane (Lot 8)

Pay just 50% now - Interest FREE!

7 Anbrue Lane (Lot 8) | 905m²

Secure your ideal build site with incredible financial flexibility! The owners of Anbrue Lane are offering a phenomenal path to ownership: Pay just 50% now to lock in this prime section, interest free and the remaining 50% in 2 years to start your build! (Ts & Cs apply).

Power, water and wastewater are reticulated to the lane; confirm connections with WDC/Northpower.

Start now—or wait two years!

Sitting at the western end of the lane, Lot 8 offers 905m² of prime land. It is tailor-made for a home that emphasises "Modern Proportions" and seamless indoor-outdoor flow.

Quality First & Coastal Lifestyle

Our design template ensures no temporary-looking structures and high-quality cladding to maintain the high property values of the neighbourhood. This western lot has peat over sandstone (RS Eng 2022 report attached): foundations must be undercut to sandstone or piled, a CPEng design and a minimum floor level of 6.9 m OTP apply, and a drainage easement runs along the western boundary. The title is subject to consent notice 12526669.2 and land covenant 12526669.6; see the title documents in the property files. Soakage pits are unsuitable on the western lots, so a tank/dispersal stormwater attenuation design is required at building consent. Positioned just moments from the beach and local amenities, this is the smart choice for the savvy builder wanting a high-end coastal lifestyle.
